Seminar Overview

The Kansas State University Department of Agricultural Economics invites you to attend the 70th annual Kansas Income Tax Institute. The program is intended for tax professionals and is designed to provide up-to-date training on current tax law, regulations, and updates. This year's program will review recent cases and rulings and key legislation, provide an in-depth review and analysis of a number of tax areas, and cover newly enacted regulations and procedures critical to tax practitioners. The program stresses practical information to facilitate the filing of individual, small-business, and farm returns.
