

## Spring 2023 KSFMRA News Blast

We voted at the Winter Meeting to meet jointly for a Summer Meeting with Iowa and Missouri. Attached is the flyer for that event in Kansas City, August 3-4, 2023. The pending CE credits are for 4 hours. We will have a Joint Board meeting Thursday evening the 3<sup>rd</sup> but forego the membership meetings until the Winter Meeting. Registration for the Joint Summer Meeting is through the ASFMRA.

<https://www.asfmra.org/events/event-description?CalendarEventKey=451923eb-776b-410f-85f9-0187eca0d5b7&Home=%2fchapters%2fchapter-meetings>

Special thanks to the Winter Committee for a very successful Winter Meeting at Hays. The Feedlot Seminar was well attended as was the KSFMRA Winter Meeting.

We did approve the changes in the membership process for the KSFMRA so that the vetting process for KS Chapter ASFMRA membership will provide dual membership. With that change the dues structure for Chapter members was changed to \$75 with no additional fee for the KSFMRA membership. KSFMRA dues remain at the same \$75. Rich has provided access to the Sales Data for those Chapter members that previously were not KSFMRA members.

The KSFMRA also approved the membership dues change for those members that are 80 years of age or older to become life members at that point. Please let the Denver office of the ASFMRA know as they may not have your birthdate on record.
