Registration for both of the national summer seminars that Paul Neiffer and I will be doing is now open. The Branson (College of the Ozarks) seminar is in-person only, but the Jackson Hole event is offered both in-person and online. For those attending the Jackson Hole seminar in-person, a room block is established at the Virginian Resort at a reduced rate.

The topics that we will cover are the same at both locations (although the material for Jackson Hole will be updated and current through mid-July).

Here's a list of the topics we will be covering:

- Federal Tax Update
- Farm Bill Update
- Beneficial Ownership Information (BOI) Reporting
- Depreciation Planning
- Tax Planning Considering the Possible Sunset of TCJA
- How Famers Might Benefit from the Clean Fuel Production Tax Credit
- Conservation Easements
- Federal Estate and Gift Tax Update
- SECURE Act 2.0
- Split Interest Land Transactions
- Manager-Managed LLCs
- Types of Trusts
- Monetized Installment Sales
- Charitable Remainder Trusts or Cash Balance Plans
- Special Use Valuation
- Buy-Sell Agreements (planning in light of the *Connelly* decision)
